COMMUNITY NIGHT GALA

Hosted at the Canadian County EXPO & Event Center, the Community Night Gala is a banquet style evening with a meal, silent auction and music from a collective of artists from across Oklahoma. Each year this event benefits a different organization inside Canadian County that meets the needs of our most vulnerable. We're inviting you to join the Community Night Gala in support of those doing good in our County.

Join Us!

It's my privilege to invite you to take part in the 3rd Annual Community Night Gala hosted at the Canadian County EXPO & Event Center on Friday, April, 19, 2024. The Community Night Gala is an elegant evening with filled with purpose, positivity, great food, incredible local live musicians, as well as live & silent auctions.

The purpose is simple: Those of us who have enough, using our resources to support and encourage the efforts of others meeting the needs of those in our community. Each year the Community Night Gala chooses an organization inside of Canadian County that is working to meet the needs of those around us.

This year, we have the privilege of partnering with Canadian County CASA. CASA volunteers are appointed by judges to watch over and speak up for abused and neglected children to make sure they don't get lost in the overburdened legal and social service systems or languish in the foster care system. CASA volunteers stay with each child until he or she is placed in a safe, permanent home and the case is closed. For many abused children, their CASA volunteer is the one constant in their lives and often, the one adult who cares only for them. Your donations will help them serve more of the over 300 children currently in the Canadian County foster care system.

CASA

Court Appointed Special Advocates
FOR CHILDREN

CANADIAN COUNTY CASA, INC.

Every year, thousands of children in Oklahoma are removed from their homes because of evidence of abuse and neglect. They are uprooted from the only family they've known, taken out of school and away from friends. In short, their worlds are turned upside down. Going through the child welfare system is scary and no child should do it alone.

OUR MISSION

The mission for Canadian County CASA is to provide community volunteers to serve as Court Appointed Special Advocates and represent the best interests of abused and neglected children who are wards of the court as provided in Title 10 A, O.S..

CASA volunteers are appointed by judges to watch over and speak up for abused and neglected children to make sure they don't get lost in the overburdened legal and social service systems or languish in the foster care system. CASA volunteers stay with each child until he or she is placed in a safe, permanent home and the case is closed. For many abused children, their CASA volunteer is the one constant in their lives and often, the one adult who cares only for them.
